

A FORUM FOR EVERYONE

No matter where you are on your entrepreneurial journey, the Forum Framework has evolved to accommodate your experience-sharing needs.

EXPERIENCE THE POWER OF FORUM IN THREE WAYS:

Local chapter Forum

Connect with fellow members in your local EO chapter's regular monthly Forum meetings.

Bridge chapter Forum

Connect with members of your bridge chapter in regular monthly and quarterly Forum meetings. *(Please note: you must be a member of the bridge chapter to participate in the bridge chapter Forum).*

Experience Forum

Create or join a Forum based on your specific experiences, interests, life phase, industry type, time in EO or passion.

ALL FORUMS MUST:

- Have Forum-trained members
- Have a constitution
- Respect confidentiality and provide a safe environment
- Follow EO Forum Mindset (Gestalt)
- Have regularly scheduled meetings with the same group of people
- Have access to all Forum trainings
- Be led by a trained moderator
- Share 5% reflections and deep dives

FORUM OFFERINGS

A FORUM TYPE FOR EVERY EO MEMBER

The Forum Framework was created to enable members to experience and apply the power of Forum in every aspect and phase of their entrepreneurial journey. From addressing experiences related to personal life, family life, business and member communities, the framework allows EO to organize Forum types more effectively. With this enhancement, every member will have access to an ideal Forum experience that provides unique value tailored to address their specific needs.
