You've asked for it, and EO is delivering!

In alignment with our vision to become the most transformative community of entrepreneurs in the world, and in support of our chapters' efforts to recruit and retain quality members, outstanding non-profit entrepreneurs can now join our membership community.

The following stipulations must be adhered to per organizational policy:

- » Non-profit entrepreneurs must be the founder, co-founder, owner or controlling shareholder of an organization with an annual operating budget of more than US\$1 million and at least 10 full-time employees.
- » Funding sources for non-profit prospects may include membership dues; the sale of goods and services; philanthropic foundations; grants from local, state and federal agencies; and private donations.
- » All non-profit prospects must comply with the application process required of a for-profit prospect.
- » Prior to processing the application, the chapter must provide written notice to membership@eonetwork.org of the prospect's application for membership to ensure proper tracking and evaluation.
